Owner: State of Georgia.

Date of Erection: 1842.

Architect - Builder:

Present Condition: Good. Wings added.

Number of Stories: Central part four stories, the fourth story above the cornice. The wings are three stories. Basement under both wings and central portion.

Materials of Construction: Foundation and exterior walls brick stuccoed and lined. Masonry exterior throughout. Metal roof.

Other Existing Records: A Treasure Album of Milledgeville and Baldwin County, Georgia by Nelle Womack Hines.

Additional Data: Center portico with four Ionic columns carrying Pediment. Brick made by slave labor. Forty acres of land two miles South of Milledgeville purchased about 1837. The central block was completed 1842. In 1844 there had been admitted thirty three patients. This building with the two side wings which were added later forms the central buildings of an extensive group of buildings most of which are of recent origin.
